**Initial** \_\_\_\_\_

## Electronics Policy

For all no school/furlough days your child will be allowed to bring their own Gameboys, CD players, and other personal hand held "gadgets" (no DVD players) if they like. **The After School Club** is not responsible for them. No charging of any "gadgets" while at school. It is important that **ALL** games and music are age appropriate (rated E, no explicit lyrics, etc.) and labeled with your child's name. Children are **NOT** allowed to share any music or games with friends. We are aware that some games are "linkable" and children can play each other as long as they each own the "linkable" game. Each family will need to set those boundaries with their individual children. Please understand that is something that will **NOT** be monitored by staff.

During our summer program we have a set time that electronics are played (1 to 3 pm). However, for no school days, we will allow children to play as they wish with the exception of snack, lunch and recess times. We will leave it to each family to set their individual time limits for their children. If you do have set limits for your child, including "linkable games, please send in a note on the no school day and we will help your child remember the limits. Please note that a new note will need to come each no school day.

We have many activities planned for no school days and for the most part all kids participate in them. We would like to add the electronics option to our already flexible no school day schedule.

## Toys From Home

The After School Club has many toys to choose from for your child. We ask that children DO NOT bring any toys from home. Occasionally we will have a special party or a themed no school day that children are able to bring in toys from home. On those special days we will have a note posted or sent home explaining what toys can be brought and how many. If a toy or item does come from home it **MUST** be clearly labeled with child's name or initials.

There have been occasions where children may receive something (toy or item) from a teacher or counselor. Those items are to be put in their backpacks to share with their family when they are picked up. If any item has a hard time staying in the backpack we will hold it for them in the office to be picked up when they go home.

## School Contact

The After School Club may occasionally discuss with classroom teachers, principal, counselor and/or other staff members specific issues concerning your child. This may include field trips, homework, classroom behavior and activities. Our goal is to be consistent in the care and well being of the children we care for.

**Initial \_\_\_\_\_**

### Lunch and Snacks:

Each child will be required to bring a lunch on all no school days. Their boxed lunch MUST be self-contained. It MUST NOT require heating or refrigeration.

The After School Club provides snacks for the children that are USDA approved. Children with specific dietary needs may be required to bring their own snacks. Parents may wish, on their child's special day, to provide a special treat for all children to share.

### Peanut and other Allergies:

Due to the increase in food allergies and special dietary needs children may need to bring their own snacks. For peanut allergies we will have separate lunch box containers for lunches with peanut butter items and non-peanut butter items. We will assign tables in the lunch room area that will be peanut free areas. Time will be spent with children on allergy education and awareness. If your child has special dietary needs and/or food allergies it is very important that they are explained clearly in the allergies section in this enrollment package.

### Health Issues and Concerns:

Head Lice: Any child found to have live bugs will need to be removed from the program until no live bugs are found and they have been treated.

# The After School Club's BEHAVIOR AGREEMENT

We believe that after school child care should provide a relaxed, comfortable environment where children are encouraged to play, visit, and create. In order to provide this type of environment, we have a flexible structure enabling the children to choose from many different activities. This is only possible if children accept the responsibility to follow these expectations, and we have your cooperation in impressing the importance of these guidelines.

Our code of conduct is primarily the same as the schools:

- 1) follow directions from any adult in charge
- 2) show respect for other students and for adults in language and actions
- 3) respect the property of the school and other students
- 4) use good table manners, talk quietly and stay seated while eating
- 5) share all playground and craft equipment
- 6) use all playground and craft equipment safely and properly
- 7) work and play in the approved supervised areas
- 8) walk and talk in the hallways quietly, even though school is out

Appropriate behavior will be praised and rewarded in various ways including the granting of special privileges.

Inappropriate behavior will be disciplined in one or more ways:

- 1) the student will be reminded of expected behavior
- 2) the student will receive an opportunity to make another choice
- 3) the student will miss opportunity to participate in a craft or game
- 4) the student and his/her parent will have a conference with staff

**Serious misconduct:** Stealing, intentional damages of property, physical assault on another person, profane or obscene language or open defiance of a supervisor may result in an immediate expulsion from the program. The parent will be responsible for reimbursing the program for the cost of damaged items. *The After School Club* reserves the right to remove a student without notice that engages in any of these behaviors.

Although these guidelines are discussed frequently with the children, we would like you to go over this list of expectations with your child. We appreciate your support of this behavior agreement.

**Biting/Serious Misconduct:** We support a zero tolerance for biting and/or serious misconduct.

- 1<sup>st</sup> time = Parent called to remove the child for the rest of the day.
- 2<sup>nd</sup> time = Child is removed from the program for 2 weeks.
- 3<sup>rd</sup> time = Child is removed from the program for remainder of year.

No Refund for any days missed due to biting.
