The After School Club's BEHAVIOR AGREEMENT

We believe that after school child care should provide a relaxed, comfortable environment where children are encouraged to play, visit, and create. In order to provide this type of environment, we have a flexible structure enabling the children to choose from many different activities. This is only possible if children accept the responsibility to follow these expectations, and we have your cooperation in impressing the importance of these guidelines.

Our code of conduct is primarily the same as the schools:

- 1) follow directions from any adult in charge
- 2) show respect for other students and for adults in language and actions
- 3) respect the property of the school and other students
- 4) use good table manners, talk quietly and stay seated while eating
- 5) share all playground and craft equipment
- 6) use all playground and craft equipment safely and properly
- 7) work and play in the approved supervised areas
- 8) walk and talk in the hallways quietly, even though school is out

Appropriate behavior will be praised and rewarded in various ways including the granting of special privileges.

Inappropriate behavior will be disciplined in one or more ways:

- 1) the student will be reminded of expected behavior
- 2) the student will receive an opportunity to make another choice
- 3) the student will miss opportunity to participate in a craft or game
- 4) the student and his/her parent will have a conference with staff

Serious misconduct: Stealing, intentional damages of property, physical assault on another person, profane or obscene language or open defiance of a supervisor may result in an immediate expulsion from the program. The parent will be responsible for reimbursing the program for the cost of damaged items. **The After School Club.** reserves the right to remove a student without notice that engages in any of these behaviors.

Although these guidelines are discussed frequently with the children, we would like you to go over this list of expectations with your child. We appreciate your support of this behavior agreement.

Biting: We support a zero tolerance for biting.

- 1st Bite = Parent called to remove the child for the rest of the day.
- 2nd Bite = Child is removed from the program for 2 weeks.
- 3rd Bite = Child is removed from the program for remainder of year.

No Refund for any days missed due to biting.

Preschool Goals & Objectives

Goals:

- The goals of **The After School Club** are to help guide and encourage the emotional, intellectual, physical, and social development of the preschool child through development of a positive self-image and an excitement for the school experience.

Objectives:

- To grow in independence: The teachers strive to help the child learn to make decisions and choices. They are responsible for helping each child reach a level of independence appropriate for him/her.
- To learn to give and share as well as receive affection: The teacher makes him/her feel secure and loved in a new environment.
- To learn to get along with others: The teacher helps the child develop the social techniques that will bring positive responses from others.
- To develop self-control: The teacher works toward the child becoming self-disciplined and self-directed.
- To honor human diversity: Stereotyping of any kind is avoided. Children are helped to understand the human body.
- To learn many small and large motor skills: The teacher guides and supports the child to develop these skills through many hands on activities.
- To foster the use of language and promote the understanding of his/her surroundings at every opportunity: The teacher uses games, songs and other activities to enhance these skills.
- To begin to develop an understanding about his/her relationship to the world: The teacher plans out and leads activities related to geography, science, nature and people to foster understanding.

Potty Needs

Child needs to be introduced to potty training and:

1. Recognize they have to go to the bathroom
2. Able to wipe themselves
3. Pull ups are allowed as long as the child can change into and out of the pull up on their own.

All items needed for potty training and/or accidents must be supplied by the family.

We require that a change of clothing be left on site or kept in their back pack that they bring daily.

- All clothing needs to be clearly marked with your child's name.
- Clothing should be child friendly.
- No overalls or snap bottom shirts etc.
- Elastic waistband pants are preferred.
- Please, no clogs or flip-flops. Tennis shoes with Velcro would be great.

For you and your child to enjoy their preschool experience please take care to choose their clothing with painting, various arts and crafts supplies, recess and gym times in mind. We do have art time cover-ups available to help protect their clothing.

Initial _____

Separation Anxiety:

During the month of September, we hope to build a secure feeling about school within your child. When your child says "goodbye," our goal is for him/her to feel that everything will be all right until you return. One way you can help your child is to let your "goodbye" mean "goodbye" and promptly leave. This action will help reinforce your conversation with your child that they will be safe and have fun and you will be back to get them soon.

Please talk with your classroom teacher about any concerns you have with your child's ability to separate. We will be able to develop a plan that works for your child, you and the teachers.

Lunch and Snacks:

Each child will be required to bring a lunch each day. Their boxed lunch MUST be self-contained. It MUST NOT require heating or refrigeration.

The After School Club provides snacks for the children that are USDA approved. Children with specific dietary needs may be required to bring their own snacks. Parents may wish, on their child's special day, to provide a special treat, pre packaged, for all children to share.

Peanut and other Allergies:

Due to the increase in food allergies and special dietary needs children may need to bring their own snacks. For peanut allergies we will have separate lunch box containers for lunches with peanut butter items and non-peanut butter items. We will assign tables in the lunch room area that will be peanut free areas. Time will be spent with children on allergy education and awareness. If your child has special dietary needs and/or food allergies it is very important that they are explained clearly in the allergies section in this enrollment package.
