No Child Should Be Left Out

It is our belief that no child should be left out, AND, it is our company policy that religious and traditional holidays, i.e., birthdays and calendar holidays, are personal and should be celebrated at home. Party invitations and holiday greeting cards shall not be handed out at The ASC. Our activities will be based on weekly themes. Whenever possible, seasonal themes will be incorporated.

Preschool Goals & Objectives

Goals:

- The goals of The ASC are to help guide and encourage the emotional, intellectual, physical, and social development of the preschool child through development of a positive self-image and an excitement for the school experience.

Objectives:

- To grow in independence: The teachers strive to help the child learn to make decisions and choices. They are responsible for helping each child reach a level of independence appropriate for him/her.
- To learn to give and share as well as receive affection: The teacher makes him/her feel secure and loved in a new environment.
- To learn to get along with others: The teacher helps the child develop the social techniques that will bring positive responses from others.
- To develop self-control: The teacher works toward the child becoming self-disciplined and self-directed.
- To honor human diversity: Stereotyping of any kind is avoided. Children are helped to understand the human body.
- To learn many small and large motor skills: The teacher guides and supports the child to develop these skills through many hands on activities.
- To foster the use of language and promote the understanding of his/her surroundings at every opportunity: The teacher uses games, songs and other activities to enhance these skills.
- To begin to develop an understanding about his/her relationship to the world: The teacher plans out and leads activities related to geography, science, nature and people to foster understanding.

Separation Anxiety:

During the month of September, we hope to build a secure feeling about school within your child. When your child says "goodbye," our goal is for him/her to feel that everything will be all right until you return. One way you can help your child is to let your "goodbye" mean "goodbye" and promptly leave. This action will help reinforce your conversation with your child that they will be safe and have fun and you will be back to get them soon. Please talk with your classroom teacher about any concerns you have with your child's ability to separate. We will be able to develop a plan that works for your child, you and the teachers.

Potty Needs

All items needed for diapers and potty training and/or accidents must be supplied by the family. Preschool children will be encouraged to use the bathroom alone.

If a potty accident occurs they will be encouraged to change their own clothes.

If they need help a preschool teacher will assist them.

We require that a change of clothing be left on site or kept in their back pack that they bring daily.

- All clothing needs to be clearly marked with your child's name or initials.
- Clothing should be child friendly.
- No overalls or snap bottom shirts etc.
- Elastic waistband pants are preferred.
- Please, no oversized slip on shoes, over sized boots or flip-flops. Tennis shoes with Velcro are preferred.

For you and your child to enjoy their preschool experience please take care to choose their clothing with painting, various arts and crafts supplies, recess and gym times in mind.

Bathroom Policy

Only one child at a time will be allowed to use the bathroom while signed into any of The ASC programs. This includes siblings. Preschool qualified ASC teachers can help children with bathroom needs when signed into any of our preschool programs. Preschool children wash their hands in the classroom and not the bathroom.

At no time should any adult be using the bathroom at the same time as any child. Parents and teachers must check in with an ASC staff member to see that no child is in the bathroom before using it.

Lunch and Snacks:

Each child will be required to bring a lunch each day. All lunches must meet the USDA standards. (see attachment form the USDA) The After School Club is required by Children Services Division to supplement all lunches not meeting the USDA standards. Families may be charged extra for items supplemented. Their boxed lunch MUST be self-contained. It MUST NOT require heating or refrigeration.

The ASC provides snacks for the children that are USDA approved. Children with specific dietary needs will be required to bring their own snacks. Parents may wish, on their child's special day, to provide a special treat. No homemade items are allowed. Special treats must be store bought and pre packaged for all children to share.

For more information on the USDA Guidelines go to: www.choosemyplate.gov

Peanut and other Allergies:

Due to the increase in food allergies and special dietary needs children may need to bring their own snacks. For peanut allergies we will have separate lunch box containers for lunches with peanut butter items and non-peanut butter items. We will assign tables in the lunch room area that will be peanut free areas. Time will be spent with children on allergy education and awareness. If your child has special dietary needs and/or food allergies it is very important that they are explained clearly in the allergies section in this enrollment package.

Photograph Information:

We MUST have your signed consent to take photographs of your children while they are participating in our program.

Photos are taken by ASC Staff with our company electronic devices only. The pictures are regularly transferred to our company computer and are deleted from our devices.

Some events include photographs of the staff and children participating in activities, parties and the like that happen at The ASC throughout the year. It is possible that these events may be of interest to the local news media.

They will not be left alone with the children.

Parents may have access to their children or visit The ASC at anytime. We encourage the pick up and drop off process to happen within the 5 minute time frame. If more time is needed, please see the Director or Lead Teacher. If more than 5 minutes is consistently needed, you may be required to be enrolled in and pay for the Central Background Registry of the Early Learning Division Office of Child Care.

At no time may photos or videos be taken of your child playing with or around any other children in the assigned ASC areas.

Snow Days

If the school district decides to close school due to weather conditions, we are required to be closed as well. A 2 hour delay changes our start time for enrolled students in our Before School Program from 7:00 am to 9:00 am. Preschool start time will be 10:30 am. If school has already started and the weather turns bad, please pick children up as soon as possible so all teachers can get home safely.

There are no refunds for snow day closures.

Closed Days/No School Days **NO CHILD CARE WINTER OR SPRING BREAK 2019/2020**

The ASC will be closed and no care will be available: Labor Day, Thanksgiving Break, Winter Break, Spring Break and Memorial Day. Summer Break is not guaranteed. This break is subject to enrollment needs. We will be open for most 'no school' days as set forth in the Bethel School District calendar. It is possible that we will not follow our regular daily schedule. For instance, the times for serving snack and lunch may be different. Additionally, ASC Awbrey Park teachers and students may join us as well. Preschool children may be combined with the k-5 students on no school days with low attendance. **NO SCHOOL DAYS require an extra sign up process.**

Scheduling:

The ASC cannot enroll a child who does not have a regular documented schedule. We MUST be given a regular schedule of your child care needs. Parents are responsible to inform us of any changes in attendance. To reserve your spot, we must receive regular monthly payments that cover the charge for your saved spot.

We have very limited space in our programs. ONLY children that have signed up AND have pre paid for will be allowed to stay.

Parents are responsible to notify the director at least 2 weeks before the end of the month if their child will be leaving the program. Failure to notify The ASC less than 2 weeks before the end of the month may result in the parent being required to pay for the upcoming month.

Toys From Home

The ASC has a variety of toys for the children to choose from. We ask that children DO NOT bring any toys from home. This includes electronic devices. Occasionally we will have a special party or a themed day that children are able to bring in toys from home. On those special days, we will have a note posted and/or sent home explaining what items can be brought and how many. If a toy or item does come from home, it MUST be clearly labeled with child's name or initials. The ASC is not responsible for lost or damaged items brought from home.

School Playground/Gym Use:

The school is designed, for the most part, for children 5 and older. The Preschool children are supervised very closely when choosing to play on the provided outside equipment. Children are allowed to use playground equipment if they are tall enough to do so without staff assistance.

We will post the name of the movie on the parent board the day of the movie. If you do not want your child to watch the movie, we will provide a place and alternate activities for them to do while the movie is on. Parents must notify a teacher at drop off if they are NOT allowed to watch the movie.

The ASC Behavior Agreement:

We believe that preschool and after school child care should provide a relaxed, comfortable environment where children are encouraged to play, visit, learn and create. In order to provide this type of environment, we have a flexible structure enabling the children to choose from many different activities. This is only possible if children are instructed and reminded regularly of their responsibility to follow these expectations, and we need your cooperation in impressing upon them the importance of these guidelines.

Our code of conduct is primarily the same as the school's:

- 1) follow directions from any adult in charge
- 2) show respect for other students and for adults in language and actions
- 3) respect the property of the school and other students
- 4) use good table manners, talk quietly and stay seated while eating
- 5) share all playground and craft equipment
- 6) use all playground and craft equipment safely and properly
- 7) work and play in the approved supervised areas
- 8) walk and talk in the breezeways/hallways quietly, at all times.

Appropriate behavior will be praised and recognized in various ways:

"Bucket Filler Awards", prize box, stickers and most of all expressed specific appreciation from fellow students, teachers and staff.

If a child is struggling with our expected behaviors, listed below are one or more of the ways we will redirect desired behavior:

- 1) the student will be reminded of expected behavior
- 2) the student will receive an opportunity to make another choice
- 3) the student may miss opportunity to participate in a craft or game

Although these guidelines are discussed frequently with the children, we would like you to go over this list of expectations with your child. We appreciate your support of this behavior agreement.

If a child's behavior does not improve after reminders and re-direction efforts, parents may be scheduled for a parent teacher conference for help and support.

Serious misconduct Defined:

Biting, disrespect, spitting at or on others, inappropriate or obscene language, property misuse, stealing, intentional damage of property, physical assault on another person, intent to hurt/injure, profane or open defiance of a teacher may result in an immediate expulsion from the program. The parent will be responsible for reimbursing the program for the cost of damaged items. The ASC reserves the right to remove a student without notice if they engage in any of these behaviors.

Listed below are one or more of the actions plans that may be taken for serious misconduct.

Behavior Plan:

- Child separated from peer group and Parent called.
- Parent/Student/Teacher Conference to discuss and write out a behavior plan form that has a specific plan to help child change and redirect the behavior.
- Parent/Student/Teacher/Director conference to write out a behavior plan form that has a specific plan to help child change and redirect the behavior. This conference may result in the student being removed from the program for up to 2 weeks.
- Immediate removal from the program and child must be picked up within 30 minutes of notification. A Parent/Student/Teacher/Director/Owner conference will then be scheduled to write out a final behavior plan form that has a specific plan to help child change and redirect the behavior. This conference will include a specific written plan of when and if the student may return to the program.

There is a No Refund policy for any days missed due to behavior incidents

Healthy Eating *for preschoolers*

Daily Food Plan

Use this Plan as a general guide.

● These food plans are based on average needs. Do not be concerned if your child does not eat the exact amounts suggested. Your child may need more or less than average. For example, food needs increase during growth spurts.

● Children's appetites vary from day to day. Some days they may eat less than these amounts; other days they may want more. Offer these amounts and let your child decide how much to eat.

Food group	2 year olds	3 year olds	4 and 5 year olds	What counts as:
Fruits 	1 cup	1 - 1½ cups	1 - 1½ cups	½ cup of fruit? ½ cup mashed, sliced, or chopped fruit ½ cup 100% fruit juice ½ medium banana 4-5 large strawberries
Vegetables 	1 cup	1½ cups	1½ - 2 cups	½ cup of veggies? ½ cup mashed, sliced, or chopped vegetables 1 cup raw leafy greens ½ cup vegetable juice 1 small ear of corn
Grains Make half your grains whole 	3 ounces	4 - 5 ounces	4 - 5 ounces	1 ounce of grains? 1 slice bread 1 cup ready-to-eat cereal flakes ½ cup cooked rice or pasta 1 tortilla (6" across)
Protein Foods 	2 ounces	3 - 4 ounces	3 - 5 ounces	1 ounce of protein foods? 1 ounce cooked meat, poultry, or seafood 1 egg 1 Tablespoon peanut butter ¼ cup cooked beans or peas (kidney, pinto, lentils)
Dairy Choose low-fat or fat-free 	2 cups	2 cups	2½ cups	½ cup of dairy? ½ cup milk 4 ounces yogurt ¾ ounce cheese 1 string cheese

Some foods are easy for your child to choke on while eating. Skip hard, small, whole foods, such as popcorn, nuts, seeds, and hard candy. Cut up foods such as hot dogs, grapes, and raw carrots into pieces smaller than the size of your child's throat—about the size of a nickel.

There are many ways to divide the Daily Food Plan into meals and snacks. View the "Meal and Snack Patterns and Ideas" to see how these amounts might look on your preschooler's plate at www.choosemyplate.gov/preschoolers.html
